

E Platform Online Audio and eBooks

Dear Parents and Carers,

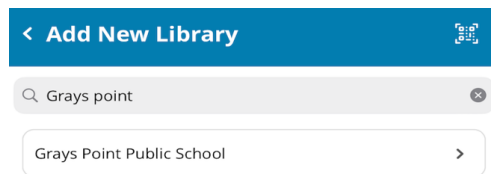

Grays Point Public School now has access to E books and Audio books through our school library. Below are the instructions on how to download the E platform app so your child can start borrowing and reading online. You can also access the online reading catalogue through this website: <https://grayspointps.eplatform.co/>

Students username and passwords are the same as their DET school login. If your child does not know their username or password, please ask their class teacher. We hope you enjoy our new platform. Please ask our teacher librarian Mrs Beazley if you have any questions about our E platform.

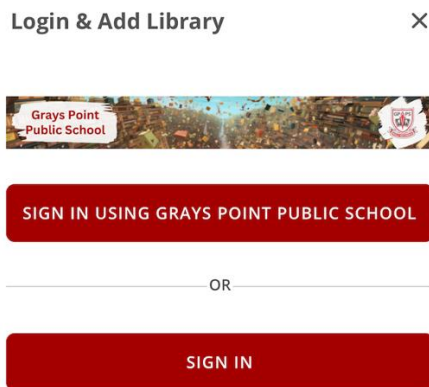

1. Search for e platform by Wheelers in the app store

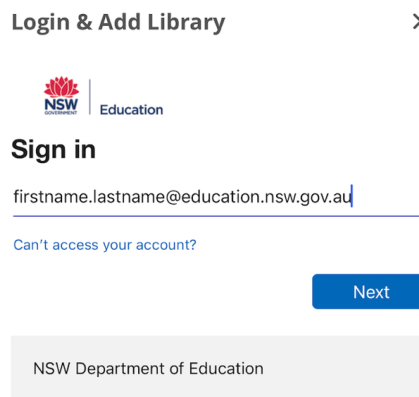

2. Once app is downloaded, open and add Grays Point Public School.

3. Sign in using Grays Point Public School

4. Login with DET email

5. Login with students DET username and password. Their username is their firstname.lastname and if they have any numbers. Students' password is the same as the one they use at school.
