**ICAS 2024**

Dear Parents and Caregivers,

We are delighted to inform you that students from Years 2-6 will be given the opportunity to participate in the ICAS Assessments this year. ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student will receive a printed certificate and an online results report. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. ICAS Assessments are now online and if you would like to find out more about ICAS you can via the website; <https://www.icasassessments.com/products-icas>

This year, we are offering various ICAS assessments (see below for topics and dates). If you would like your child to experience this opportunity, please register via the link below. All payment is made online **only**.

**Competition dates and cost:**

ICAS Digital Technologies - **Wednesday 7th August** \$19.95 (inc. GST)

ICAS English - **Wednesday 14th August** \$19.95 (inc. GST)

ICAS Science - **Wednesday 21st August** \$19.95 (inc. GST)

ICAS Mathematics - **Wednesday 28th August** \$19.95 (inc. GST)

Please note: All assessments will take place at 8am in the Computer Lab on the above specified dates. Students should ensure they arrive at 7:50am so they can log on and are ready for the 8am start. **There will be no catch up assessments.**

The closing dates for applications for all tests will be **Monday 29th July**. Unfortunately, late applications cannot be accepted, so please ensure you register prior to this date if interested.

To complete registration for any of the above ICAS assessments, please register and make payment using the following link and unique code below:
